19 GENERAL RULES

The minimum age allowed to participate in the MARATHON (42k) is 20 years old, 18 years old in the HALF MARATHON (21k) and 16 years old in the 5K

/ 10K , if a participant is younger than 18 years old, it'll be necessary to provide a legal authorization written by the parents or legal keeper, with notarized signature and an authenticated copy of an ID from the parents or legal keeper, that will be retained by the organization.

The registration/enrollment can be made by a third person if they're of age and in bearing an authorization written by the athlete himself, accompanied by an authenticated copy of the athletes ID. · The MARATHON will have a maximum duration of 06 (six) hours, the HALF MARATHON of 03 (three) hours and the 5K / 10K of 90 minutes, meaning that any athlete who is not inside the projected time (pace chart), in any point during the race, can be forced to withdraw from the competition, finishing the race at that moment, being able to board the bus from the organization that will take the racer to the finishing line. All registered athletes who complete the race will receive a participation medal. · Athletes who are suspended or complying with any type of restrictive punishment imposed by the Brazilian Athletics Confederation (CBAt) and/ or the International Athletic Federation (IAAF), or the Athletics Federation of the State of Rio de Janeiro (FARJ), may not participate in the competitions.

The FINISHING LINE of the race will be at Aterro do Flamengo near Cruz Lima Street. There will be, for any type of emergency, medical service and ambulance. The medial attention in an emergency case will be handled by the public healthcare system. · During the race, the athlete must keep alert about the flow of other athletes and the signaling of the local staff. Regarding the loss of focus because of the landscaping, the athlete shall try to avoid running too close to the border/sidewalk, because this can lead to stumbling on a curb, or on any safety objects. The athlete must follow the path traced by the organization, staying within the limits imposed by the railing and signaling placed along the course, thus avoiding accidents in contact with vehicles, outside these limits. It is of great importance that the athlete tries to throw the cups and other objects, which is discarded during the race, in the garbage containers, or near the curb. Avoid throwing objects in the sand, gardens, cycle paths, or where other participants will pass. This action can cause serious accidents to other participants and is also harmful to the environment and the city. The athlete should avoid excessive hydration. It can also impair performance during the test and cause serious problems and damage to health.

To the athlete who for whatever reason can no longer continue the race, there will be a bus that will transport the participants from where they were picked up to the finish line. This bus will keep up with the last athletes inside the allowed pace until the finish line, until the completion timeout. The athletes who are along the course inside the pace, in the moment of the referee checking, beyond the allowed time for completion, may be forced to board the bus that's picking up stragglers, in accordance with the race legislation.

The safety of the test will be guaranteed by the competent bodies and there will be referees, inspectors and staffs orienting and inspecting participants. For the participants in the event will be made available chemical toilets and storage volumes. The organization recommends that no one put anything of great value or money inside the storage volumes (watches, clothes,

expensive accessories, electronic equipment's, checks, credit cards, money bills etc.).

The Organization will not be responsible for any items left in the luggage compartment, as it is a courtesy service. We suggest that the locker be used only to store valuables. There will be no reimbursement by the Organization, as well as its sponsors, supporters, and participating companies of any amount corresponding to damages to equipment and / or accessories used by the participants in the event, regardless of the

reason, nor for any loss of material or material damages that the athletes may suffer during the participation of the event. We recommend rigorous prior medical evaluation and the performance of an ergometric test to all participants. It is forbidden to jump the grid railing or fences to access the track in the starting of the race or any other moment of the event. The participant must pay attention to the route, meaning it's not permitted any form of support/help or any way of gaining advantage. Only those participants bearing the chest number and the disposable chip will be able to cross the finish line.

At the arrival funnel, the participant is not allowed to overtake another competitor, meaning the participant must keep walking until the end of the path. External assistance to participants will not be allowed under any circumstances, except by members of the Organization. The athlete who violates this regulation, in whole or in part, will be disqualified, or will suffer the punishments imposed by the regulators. The organization of the event, as well as its sponsors and supporters, shall not be liable for damages or damages caused by the participants enrolled in the event, to third parties or to other participants, and their acts are the sole and exclusive responsibility thereof. RESPONSIBILITY TERM RIO MARATHON 2019

() Marathon 42K () Half Marathon 21K () 5K () 10K

I declare that I will participate in this event, taking the responsibility for the data I informed, that I totally accept the Competition's Rules, that I am participating by free and spontaneous will, and that I am aware of my physical and mental health status and of the need of seeing a physician before the competition, in order to assess my real participation conditions. I further declare that I have been properly training, and I assume my transportation, lodging and meal, insurance expenses and any other required by or resulting from my participation in the competition, before, during and after it. I authorize the use by the organizer, sponsors and ticket sales company of any sign, photograph, film or other recording containing images of my participation in this event, in any media, whether printed or electronic, including on the Internet, for any purpose and for an indefinite period, waiving any compensation or indemnity. I further authorize, under the same conditions, the disclosure efforts to be performed by the Event Organizer, such as sending informative and promotional messages about this competition and other competitions related, and from its sponsors, supporters and participant companies through email, letter, text messages, among others, to my phones and addresses registered by me or whoever made my registration.

I understand that the entire material and equipment required for my participation in this event are under my full responsibility, both for attaining and for keeping and caring for them.

I accept not to carry and use no political, promotional or advertising material, nor signs that may be seen by other participants and the audience attending within the areas authorized for circulation and participation without written authorization from the organization, nor carry dangerous material or object that risks the event's and/or people's and structure's safety.

I declare that I will not run the competition if I am physically incapable, poorly trained or unwell in the week prior to the competition or on the day of it, and I keep the event organization, as well as all promoters and organizers, safe and harmless against any civil responsibility, in my name and of my heirs and successors, taking all risks associated to running in this event, including, but not limited to, the effects of time, falls, accidents and contact with other competitors, volunteers or the audience.

I authorize further any member of the Health Care Team of the competition to take care of me, as well as performing all the diagnosis procedures required for such service. I am aware that the competition's Health Care Team has as only purpose serving the medical occurrences happening during the competition and taking the patients to the hospitals designated, and it is not responsible for my medical assessment prior to the competition, which is of my exclusive responsibility.

RESPONSIBILITY TERM IN RESPECT TO THE USE OF DISPOSABLE CHIP AND BIP NUMBER

I am responsible for:

Check if my registration data indicated in the envelope containing my "CHIP" are correct, and, if not, inform the competition's organization for correction;

Fix the chip on my shoe on the day of the competition, according to the use instructions, seeking the organization's staff if I am in doubt on how to proceed;

Not to forget about using the bip number, which is mandatory during the competition, by fixing it on the frontal part of my uniform, at the chest height;

Using the mandatory "CHIP", being subject to the penalty of disqualification, or not having my time registered in case of failure;

Not to exchange or borrow my "CHIP", nor my bip number to other competitor, subject to the penalty of disqualification;

Not to cut, scratch, fold or damage the chip, so that it has perfect answer or reading in the system.

I am aware that the "DISPOSABLE CHIP" to be supplied for my participation in the contest will serve only for this competition, and I will not be able to use it in other competitions. As it is disposable, it is not necessary to return the chip;
